To Whom It May Concern:

I write to express my enthusiastic support for NPU and The Midway. Their venues welcome thousands of guests annually, at some of San Francisco's most iconic events. As the Senator that represents San Francisco, not only have I heard about these amazing experiences, but I have also been fortunate to have attended some of these events personally.

The Midway and NPU have been vital partners as the City and County of San Francisco's recovery. The COVID pandemic was incredibly challenging for independent venues, though The Midway and NPU's resiliency allowed them to emerge from the pandemic ready to focus on the next chapter. Their events have reminded residents and visitors of the beauty and vitality that San Francisco has always been known for.

The Midway and NPU host a variety of different events, from large scale concerts to free public events that bring together both residents and visitors from around the world. They curate family-focused programming, such as the annual Kids Carnival at the Palace. They host creative events such as Ghost Palace Halloween at the Palace of Fine Arts and Terror Vault at the Old Mint.

NPU and The Midway have shown an unwavering commitment to San Francisco's arts and creative communities, and have played an important role in ensuring that San Francisco remains one of the world's great centers for culture.

Sincerely,
